The Belleville East Athletic Booster Club is a parent volunteer organization designed to help all athletic programs. There is a monthly meeting with time and place TBD. The basic duties are to raise funds through concessions, merchandise, 50/50, trivia night & other fundraisers. *The Booster Club cannot be successful without the help of active members* to help raise money to continue to support our outstanding athletes and athletic programs. The Booster Club is always open for new fundraising ideas. The Booster Club will email out requests for volunteers; we understand that you may not be able to work every event but any time you can contribute will always be much appreciated.
